

DEFICIENCY APPROPRIATION, SAN FRANCISCO MINT.

L E T T E R

FROM

THE SECRETARY OF THE TREASURY,

TRANSMITTING

A COPY OF A COMMUNICATION FROM THE DIRECTOR OF THE
MINT SUBMITTING AN ESTIMATE OF DEFICIENCY APPROPRI-
ATION FOR SAN FRANCISCO MINT.

JANUARY 13, 1902.—Referred to the Committee on Appropriations and ordered to
be printed.

TREASURY DEPARTMENT,
OFFICE OF THE SECRETARY,
Washington, January 10, 1902.

SIR: I have the honor to transmit herewith, for the consideration of Congress, copy of a communication from the Director of the Mint, of the 9th instant, submitting estimates of deficiencies in appropriations for the current fiscal year, which he requests may be included in the urgent deficiency bill now under consideration, as follows:

Wages of workmen, mint at San Francisco.....	\$2,000
For installation of additional new rolling mills and motors to run the same in the mint at San Francisco.....	6,000
Total.....	8,000

Respectfully,

L. J. GAGE, *Secretary.*

THE SPEAKER OF THE HOUSE OF REPRESENTATIVES.

TREASURY DEPARTMENT,
BUREAU OF THE MINT,
Washington, January 9, 1902.

SIR: I have the honor to report that the appropriation for wages of workmen, mint at San Francisco, for the current fiscal year is not sufficient, and to request that you will procure an appropriation of

\$2,000 to supply the deficiency in the appropriation, wages of workmen, for the fiscal year ending June 30, 1902.

I have also to request that an appropriation of \$6,000 be procured for the installation of additional new rolling mills and motors to run the same in the mint at San Francisco. It is very desirable this appropriation should be made and incorporated in the urgent deficiency bill, in order that contracts may be made for the mills and motors and same installed by the close of the current fiscal year, in order that the mint may be prepared to meet all demands that may be made upon it for coinage.

Should Congress authorize a special coinage of silver and bronze for the Philippine Islands it would be necessary to manufacture at least a part of this coinage at the mint, San Francisco.

Respectfully,

GEORGE E. ROBERTS,
Director of the Mint.

The SECRETARY OF THE TREASURY.
